CERTIFICATE OF ENGLISH EDITING

This certificate confirms that the manuscript listed below was edited by one or more expert English editors with doctoral degree. The following issues were corrected: grammar, spelling, punctuation, sentence structure, and phrasing. Journal editors can contact us at info@topeditsci.com if you have any concerns.

Manuscript title

Identification of macrotrabecular-massive hepatocellular carcinoma and prediction of response to transarterial chemoembolization plus antiangiogenic therapy using CT radiomics

Date issued

11/26/2021

Certificate number

CN 6332-01-1126-02

TopEdit specializes in comprehensive preparation of scientific manuscripts that are targeted for publication in English language journals. We provide editing, technical translation, formatting, and illustration services for technical manuscripts, grant proposals, conference presentations and posters, and professional school application essays and other scientific materials. All orders are edited by one or more editors who hold advanced Ph.D. degrees and are either natively proficient in English or native speakers.
